Sports Day

Well done to all students who participated in sports day at Quibell Park. There were some outstanding individual performances and some fantastic examples of team spirit. All students who helped with officiating did an excellent job and have helped to ensure that all results are accurate.

The support and house spirit from the stand was excellent and helped to make the day a great success.

Victor Ludorum for 2018 is Danny Dodds
Victrix Ludorum for 2018 is Sophie Rouse

The overall house winner for 2018 is Manning

Following on from this we are taking over 60 students to Costello Stadium in Hull to compete, in athletics, against the other Scunthorpe schools. Good luck to all who have been selected
