ALL SAINTS & ALL SOULS

All Saints Day November 1st 2018 Holy Day of Obligation

Dear Parents

I would like to wish all students and parents the very best for the half term break. The last seven weeks have been a very busy time. I would like to thank all parents for their support in enforcing our uniform expectations, it is clear to see that our students look much smarter in appearance and are representing the school well. I would also like to thank Year 7 who have settled well into secondary school, something that was probably very daunting for them seven weeks ago. Year 11 have also made a very positive start to their final year with us, there does seem a real focus in these students as they prepare for the GCSEs in May.

As we head into the new term, which begins for students on Monday 29th October, I would like to wish the small number of Year 7 pupils, who are flying to China with Mr Thompson and Mr Waite for a football tournament, a safe journey and much success in the matches.

When we return the clocks will have moved back and the darker nights will begin. Therefore, can I please ask all students who travel to school on bikes that they ensure they have working lights and travel to school safely. Can I also remind parents that students are always allowed to wait after school in the library area should there be any delays for them being picked up, this is much safer than waiting outside the school.

Wishing all parents and students the very best for a restful and safe week. Mr Hibbard

Bike sheds

After half term the school car park will no longer be locked all day. As a result we ask all parents to remind students who travel to school by bike that they secure bikes in the bike shed with a good quality bike lock. Bikes must be left in the bike shed not on the rails to

DIARY DATES

Last day of term
Friday 19th October 2018
Half-Term

Students return back to school
Monday 29th October 2018
School Opens

Tuesday 30th October 2018

Careers Convention

We will host an annual careers convention on Wednesday 14th November 5:00 - 7:00pm. The event is open to years 9, 10 and 11 and parents/guardians. During the evening we will have guest speakers from British Steel, HETA, John Leggott, North Lindsey, the National Apprenticeship Service, The Royal Air Force and many more, as well as stands from these providers for you to access expert information on education and careers choices. A full programme of talks will be published on our website soon. Mrs Boreham

Careers Focus

Twitter is a great source of information for careers and progression within education; they can provide you with information on job profiles, trends in the Humber area and current vacancies for apprenticeships! Here are a few feeds to follow @LmiHumber @NationalCareers @ucas_online and @StBedesCVCareer

Mock Exam Timetable

All Year 11 students have been issued their mock exam timetable. This year the mock series runs from Monday 12th November - Wednesday 28th November. A copy will be available on the website.

Uniform

To remind parents that those pupils who were given time to purchase new school shoes should have them after half term. Please note that shoes must not resemble a trainer, if in doubt purchase a formal shoe. Any further queries please contact your child's House Leader. Thank you Mr Hibbard

Christmas Card Competition

The Saint Thérèse of Lisieux CMAT are running a Christmas card competition for all Year 7 students! Students will be working on these in some lessons and should be handed in by Friday 2nd November! Let's get creative!

Knitters

Friends of St Bede's, we need your help! We are looking for volunteers to help knit (or crochet) poppies in time for our remembrance service. The poppies will be sold in school and all monies raised will go to the British Legion.

Humber Taiko

Students from the Year 9 and Year 10 GCSE Music classes are taking part in a special performance as part of the Humber Taiko Festival 2018. The first rehearsal was this morning and sounded magnificent!

Champions!

Year 11 girls are Champions! They won the Scunthorpe and District Hockey tournament yesterday. They all played exceptionally well and worked as a team throughout. Very proud.

released

4th December:

NLEC Maths and Science nightclub

13th

December: Christmas dinner day

14th

December: Y7, 9 and 10 reports

20th

December: Liturgy and end of term.
