Year 11- Period 6 commencing the week 21st January

The students are now only four months away from their first GCSE examination in May. One of the most effective ways in which students can improve their grades is by attending after school revision sessions. As a result, we will be running Period 6 lessons starting the week commencing the 21st January until the end of the exam period in June. These sessions are **compulsory** for students and will run until 4:05pm.

Period 6 will take place every Monday, Tuesday, Wednesday and Thursday. You will receive a letter in the next week to inform you which subjects your child will be attending.

Year 11 Parent's Information Evening - Thursday 24th January (6:00pm – 7:30pm)

This event is very important it will consist of presentations from the English, Maths and Science departments detailing course requirements and materials available for revision. There will also be important information from other subjects including exam dates and coursework deadlines alongside possible revision techniques and access to a wealth of revision materials.

Romero crosses

We have sold these crosses to staff and students and have successfully raised £125.00. This money will be used to buy products from the World Gift Cafod Website that will be chosen by the group who made them.

The Forge

Thank you to all parents who made donations to our 'tintastic' Forge Appeal. Staff and students took the donations to the Forge on the last day of term and they were greatly received and very much appreciated.

Lost Property

We have a number of students' winter coats in our lost property department. If you believe your child may have 'misplaced' theirs please ask them to come and have a look. Thank you

Twitter

Over the course of this year we have tried to improve communication with parents through the use of our twitter page. We use this to give important information as well as opportunities to celebrate the achievements of the school and the students within it. Please follow us at: @StBedes.Academy

Year 11 Food Practical Exam

The exam will be on the morning of Friday 18th January students will be preparing and cooking three different dishes.
