Dear parent

IMPORTANT INFORMATION: YEAR 11 EXAM PREPARATION

As we are reaching the end of the exam period we are currently looking at how we can support students with their final exams. As a school we have kept students in school to ensure that they receive the best preparation for their exams. After reviewing the exam timetable for next week we believe that keeping the year group in school for the whole of the week is not the best use of time as many students will have very few exams left. Therefore, after the Biology exam this Friday afternoon, students will be able to revise at home.

The following exams are still to take place:

Monday 10 th June	Food (AM)
Tuesday 11 th June	Maths (AM)
Wednesday 12 th June	Chemistry (AM) German and Polish (PM)
Thursday 13 th June	Geography (AM)
Friday 14 th June	Physics (AM)
Monday 17 th June	German (AM)
Wednesday 19 th June	Polish (AM)

Students are expected in school at 8:40am for an AM exam and 12:45pm for a PM exam.

In preparation for the above exams we are running exam preparation sessions and these will take place in departments. **ALL** students who study these subjects are expected to attend:

Monday 10 th June	8:45-10:45am: Geography* 11:05am-3:05pm: Maths (Foundation students) 4:00pm-7:00pm: Maths (Higher students)
Tuesday 11 th June	11:05am-1:05pm: Chemistry 2:05pm-3:05pm: German 2:05pm-3:05pm: Polish
Wednesday 12 th June	11:05am-1:05pm: German and Polish 12:05pm-3:05pm: Geography*
Thursday 13 th June	11:05am-1:05pm: Physics
Friday 14 th June	11:05am-1:05pm: German
Tuesday 18 th June	8:45am-10:45am: Polish

*Geography revision on Monday 10th June is for students **not** studying GCSE Food and Wednesday 12th June

*Geography revision is for students **not** studying German or Polish. There will also be a study room which will be supervised by a member of staff available for the whole period so that students can independently study in a quiet area. If students are coming into school for private study or exam preparation sessions they must sign in and out at reception.

If you have any concerns about this please feel free to contact us.

Yours sincerely
